DETAILED ACTION

1. This application is in condition for allowance except for the following formal matters:

In claim 1, line 2, "a second part and a second part" should be corrected as – a first part and a second part.--

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: the cited references fails to teach or suggest an uninterruptible power supply having an upper cover and a lower cover, the lower cover includes two cavity parts, one of the cavity part includes a power circuit board, and surge circuit board and a control circuit board, wherein the control circuit board and the surge circuit board are mounted on the power circuit board to form an U shape. The prior art of record do not disclose or render obvious in combination to teach the claimed invention. Therefore, the office indicates that the claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
